Rules of thirds

The layers of the court, stage, and field capture the dynamic atmosphere of a multi-sport venue.

Breathing Space

A guy watches intently as a volleyball match unfolds, focused on the action on the court.

Golden Triangle

The view through a steel net frames the volleyball game in the distance, capturing the intensity of the match from a spectator's perspective just outside the court.

Rule of Odds

A group of girls plays an intense volleyball match, displaying focus and energy as they dive, jump, and spike the ball with determination.

Simplification

An empty soccer field stretches out under a gentle breeze, with blades of grass swaying softly, creating a calm and open atmosphere.

Framing

Framed by the branches of a small tree, a girl practices her spike, focused and determined as she prepares for her next match.

Perspective/ Viewpoint

A deserted, obstructed pathway runs alongside the volleyball court, with no view of the match itself but a sense of activity nearby.

Action

A girl is airborne mid-serve, arm drawn back and ready to strike the volleyball, capturing the split-second intensity just before her powerful hit.
